

Field agent's training manual

On logging in to as a field agent, you will be displayed with this interface

The screenshot displays the Windwood Farm Management application interface. At the top, there is a navigation bar with links: Home, Training, ChatRoom (highlighted in red), About, and Contact. The main title "Windwood Farm Management" is centered above a large, semi-transparent background image of a cassava field under a blue sky. A central callout box contains the following text:

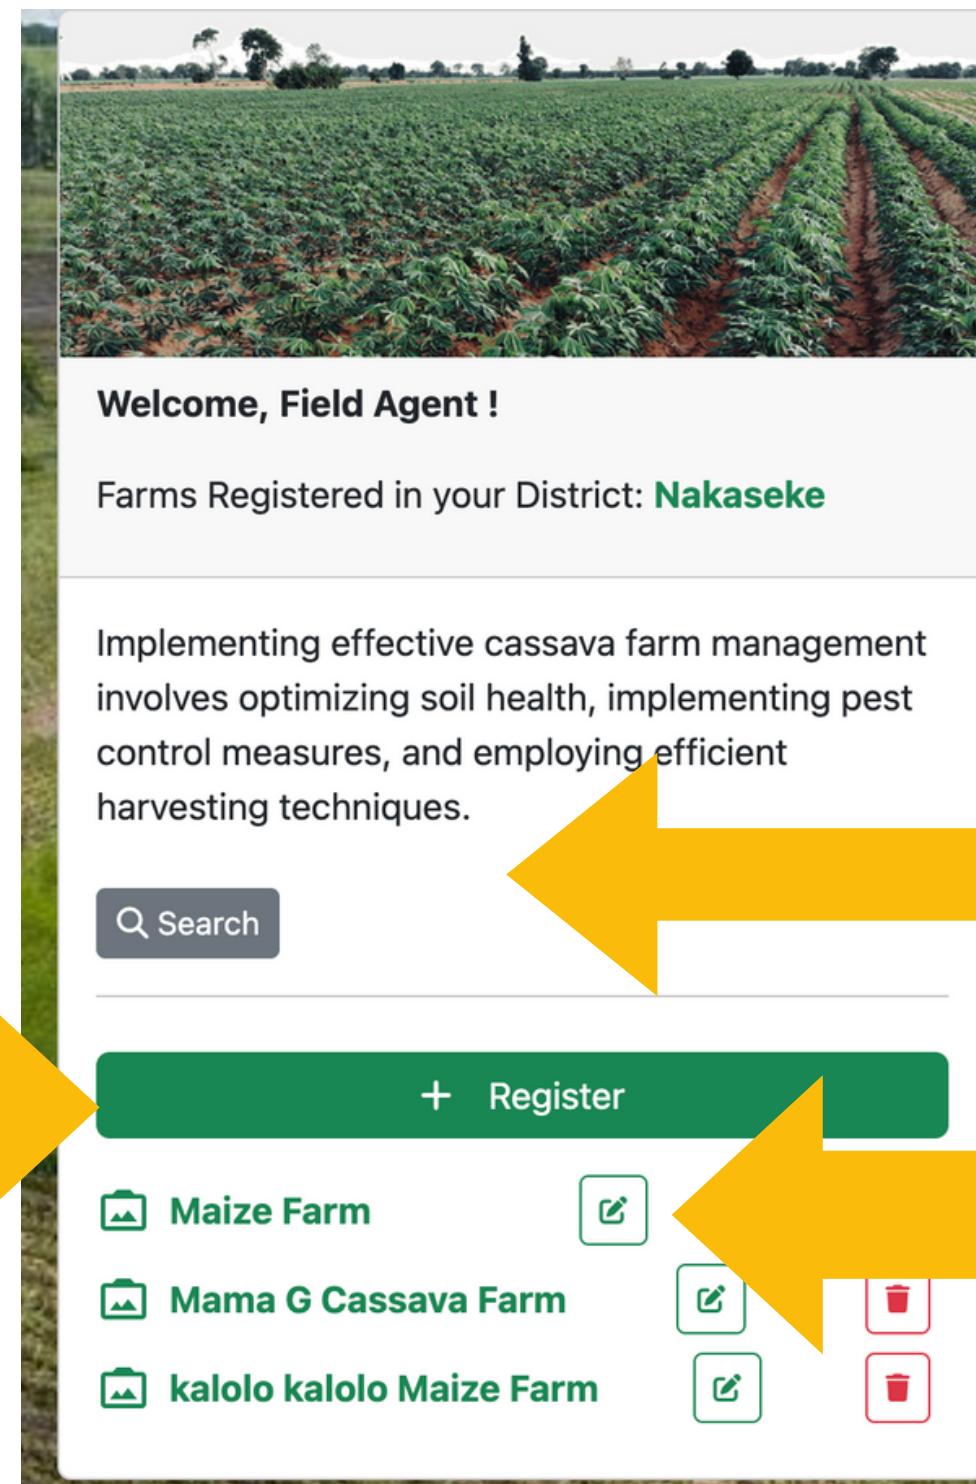

Welcome, Field Agent !
Farms Registered in your District: Nakaseke

Below the callout, a text block provides information about cassava farm management:

Implementing effective cassava farm management involves optimizing soil health, implementing pest control measures, and employing efficient harvesting techniques.

At the bottom of the interface, there is a search bar labeled "Search" and a green button labeled "+ Register".

This gives you a display of farms your area of coverage and you can add farms using the register button

Add farms using this

Add resources

On clicking on farm resources from the farm view, you can add resources and here is the form that gets displayed for you to fill in data about the resource..

The screenshot shows a mobile application interface. At the top, a dark brown header bar contains the word "Workers" in white, bold, sans-serif font. Below the header, a white section has a title "nambooze esther Cassava Farm Workers" in black font. A large blue button with a white plus sign (+) is centered below the title. A grey rectangular box labeled "Casual Labourers" in green font is positioned below the button. To the left of this box is a small circular profile picture of a woman. To the right of the box are three details: "Full Name:Nakito rose", "Phone Number:0793748490", and "Date Employed:Dec. 12, 2023". Below these details are two small blue buttons with white icons: a pencil for editing and a trash can for deleting.

Add workers

On clicking on farm workers from the farm view, you can add both staff and casual labourers as seen on the left. You can use the button to add new peelers and workers to the farm. Use the button to delete workers and use the button to edit the worker's details

You can add farm activities by clicking the activity button

Farming Activities
